

## **Vulcan Spring to Attend MD&M WEST 2022 PA Manufacturing Team Members are Headed Back to the West Coast**

**Telford, Pennsylvania:** Vulcan Spring & Mfg. has announced it is going to participate in the MedTech community's greatest event.

Bringing together engineers, medical manufacturing companies, and today's business leaders, MD&M West is sure to set the stage in 2022 for collaboration and innovation in the MedTech world.

The show's theme is #DiscoverEngineerBuild as MedTech professionals come together to "DISCOVER medical design and manufacturing innovations and technology," and "ENGINEER life-changing and life-saving solutions", to "BUILD a better world."

Vulcan Spring's President Bill Krauss spoke on this, saying "Medical Device manufacturers rely on their suppliers to optimize their product's function, reduce costs, and improve their patients' health outcomes. From design to pre-clinical trials and through high volume production, device makers and their partners can count on Vulcan."

Continuing, "ISO 13485-certified Vulcan Spring has a long history of providing consistent, quality products on time supported by exceptional customer service. The MD&M show is a great opportunity to showcase all that Vulcan can deliver!"

MD&M West will be held in Anaheim, California from 12-14 April 2022 at the Anaheim Convention Center. Vulcan will be at booth # 3254.
